Why your school should attend bstreetsmart.....

The award winning bstreetsmart programme integrates perfectly with the NSW Personal Development Health & Physical Education (PDHPE) Syllabus for road safety. The program consists of a dramatic live crash re-enactment that includes Police, Ambulance Service of NSW and Fire & Rescue. Interactive displays and crash survivor speakers bring home the road safety message with passion and clarity. The forum is run by the Westmead Hospital Trauma Service for school years 10 – 12 with the specific purpose of educating our youth and reducing road fatalities and injuries in this high risk group.

bstreetsmart proudly won the Australian Road Safety Award (2014 & 2017) and the Western Sydney LHD Quality Award (2016) and has been finalists in the NSW Premier Awards (2007, 2013), the Australian Road Safety Award (2011, 2012 & 2016) and Western Sydney LHD Quality Award (2013). The program has been running for 13 years so you can be assured your students will be attending a top quality learning experience.

"I really enjoyed everything. I have never paid so much attention to something so entertaining and meaningful. You should be really proud of yourselves. Everyone should see this event."

Teacher Comment 2018:

"Great day and very beneficial for students. Student feedback was that no amount of teaching in the classroom can affect you the way BStreetsmart does."
