Tuesday 10, Wednesday 11 and Thursday 12 September
from 9.45 am to 1.30 pm

Creative outcome research to measure our impact for first time!

bstreetsmart is proud to announce we have engaged a quality research team and obtained external funding to conduct a research pilot study on the program!

bstreetsmart has been recording data from Student post-event surveys for many years. However, this research does not provide any evidence the bstreetsmart program has any long term impact on student driving or risk taking attitude.

We are excited to announce, this year there will be one pre-event survey and two post-event surveys (one immediately after the event and another in 3 months).

*** via smartphone web based app, complete-able within 10 minutes on student's phone!*

We need you to pass on this information about the research surveys, and encourage them to take part. We understand this takes time! So, we are offering great incentives to both teachers and students to ensure we capture this important information.

The results will be presented at the Injury Prevention Conference in Brisbane (Nov.2019) and the research team will be applying for a bigger government grant with this pilot data, hopefully start a larger future research program.

What you need to do:

- **The pre-event survey** will be sent to you to forward to your students 2 weeks prior to the excursion. **Please** encourage the students complete this first stage.
- **The first post-event survey** will be available straight after the event and a reminder email will be sent to you to encourage your students to complete.
- **The final survey** will be sent out 3 months later. Again, please encourage students to complete this final stage.

What's in it for the School!?

The chance to win:

- **\$1,000 cash** for your school to spend in any way you wish.
- Year 10-12 science show incursion by Fizzics Education "Tick Tick BOOM!" (\$950 value!)
- Liquid Nitrogen show incursion by Fizzics Education! (\$600 value!)

Every school who has at least half of their attending students complete the first two surveys will be placed into the draw.

WIN
prizes!

What's in it for the students?!

The chance to win:

- one of 3 brand NEW iPhoneXs

... for **every** student who completes the first two surveys!! EASY!

or 50 x double movie passes

...for **every** student who completes ALL 3 surveys!

PLEASE GET ON BOARD THIS GREAT STUDY!
