WHY SHOULD YOUR SCHOOL ATTEND?

The award winning bstreetsmart programme integrates perfectly with the NSW Personal Development Health & Physical Education (PDHPE) and Life Ready syllabus. The program consists of a dramatic live crash re-enactment that includes Police, Ambulance Service of NSW and Fire & Rescue. Interactive displays and crash survivor speakers bring home the road safety message with passion and clarity. The event is run by Westmead Hospital Trauma Service and proudly sponsored by Transport NSW and is designed for school years 10-12 with the specific purpose of educating our youth and reducing road fatalities and injuries in this high risk group.
